

# Early Steps

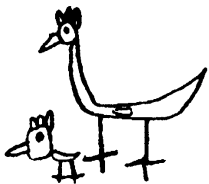

We are offering a preschool readiness class for any children ages 18 months -3 years old who are interested in starting preschool.

This small group will help children learn skills needed to succeed in a preschool setting such as: circle time, imaginative play, music and movement, art and sensory activities, socialization through play, following routines, structured table activities and toilet readiness.

This group will be led by Roxanne Long, BA, ITFS. Roxanne has a Birth-Kindergarten licensure from UNC-CH and almost 10 years experience teaching children age 0-3. Roxanne has met criteria to teach in five-star licensed facilities. She has extensive knowledge of working with children with special needs such as Autism, Downs Syndrome, sensory integration disorder and global delays.

**Classes will be Fridays 9:30-10:30 am and 10:30-11:30 am  
at our Raleigh Location**
